# AKHISAR MUSEUM

STAR WARRIOR KILIA IS WAITING FOR YOU TO  
 SEE HER İDOL

The male relief with a bird in its hand, found in the village of Gökçeler, Akhisar, considered as part of the door of a burial chamber, and dated to the 5th century BCE, is one of the most notable artefacts of the Akhisar Museum.

The Akhisar Museum has one story and consists of three main sections, namely archaeological artefacts sections, Ethnography Section and Arasta. The Akhisar Museum is waiting for visitors with its artefacts, majority of which have been discovered from Akhisar and its surroundings.
